

MOLLY AND _____

Meet Molly! In 1909 Molly made her debut as Douglas County's World Famous Traveling Cow when she was led from her barn by some crafty students to the second floor of Central High School. She was eventually coaxed back onto her farm, but ever since then she's had a taste for adventure and wants to see more of the world! Could Molly join in your travels?

Share a picture of your adventures with Molly using #FlatMolly and #DCHSMN on Instagram or Facebook! Adventurers' photos may be shared to our page!
